Christ, the shep-herd of the sheep, takes great care our lives to keep.
Christ, the shep-herd, like a door, guards sal - va-tion's cor - ri - dor,
Christ, the shep-herd of be - lief, not a strang-er nor a thief,

When a - wake or when a - sleep, we know Christ is near us.
gives us life for - ev - er - more. We know Christ is near us.
calls our name, dis - pels our grief. We know Christ is near us.

Hear the Shep-herd's voice! Christ shall be our choice.

Lis - ten to the Word of God! Let the flock re - joice!
