1. Yet ev - en now re - turn with all your heart!
2. So, let us now to God be re - con - ciled,
3. God work - ing with us, let us cher - ish grace.
4. E'en though we fast, we keep a cheer - ful air;

Yield to the Sav - ior, ne - ver - more de - part!
ser - vants of God, though of - ten - times re - viled.
Now is the time, be - fore the ad - vent's pace.
God knows our hearts, in se - cret hears our prayer.

Fast - ing and weep - ing, let us now re - pent!
Treat - ed as out - casts, yet our faith is true,
Bow to the Sov - reign, know your mor - tal place!
Trea - sures on earth are on - ly a dis - guise.

Gath - er the peo - ple with through these days of Lent!
still, we re - joice with kin - dled hearts made new.
Hum - ble your spir - it in God's sweet em - brace!
God's great sal - va - tion: that will be our prize.
